

New Zealand Medical Indemnity Insurance

NZMII membership application for MDU members

You must be an RMO (Resident Medical Officer) employed by a Health New Zealand/Te Whatu Ora hospital and agree to sign up to the NZMII RMO Group Indemnity Scheme.

Consultant level work or private work outside of a Health New Zealand/Te Whatu Ora hospital is not eligible for the NZMII RMO Group Scheme and hence reciprocal indemnity with MDU does not apply.

You will continue to be a member of MDU and membership of NZMII will be provided at no cost to you.

To apply for membership, please complete the questions below:

I confirm that I wish to be a member of NZMII and agree for the above details to be shared with MDU and the named hospital for the sole purpose of indemnity insurance administration. This form acts as an authorisation to request your MDU claim history if necessary.

Any concerns, grievances, or claims you may have with NZMII arising from your work in New Zealand during your membership with NZMII shall be dealt with solely by NZMII. You agree that the MDU is not liable for, and will not be responsible for, resolving such concerns, grievances, or claims.
